

Phone Notification Emergency Alerts

You can sign up to be notified in the event of a storm, power outage or other emergencies. Simply contact City Hall **(361-972-3605)** and we will put you on our emergency email and phone list.

The Mayor, City Manager, and senior staff will use this service to personally communicate with citizens about Tropical Storms, Hurricanes, and to convey other emergency information. It will also be used for messages such as utility construction, garbage service changes or other messages that concern the public.
